25X1

1. Comment. Two trains with elements of the 4th Gds AAA Div which have presumably been in Wustrow since 18 January 1955.

2. Comment. Presumably a shipment of the AAA Regt of the 6th Gds Mecz Div.

3. Comment. AAA units of the air force.

4. Comment. 29 shipments which went to the north section of Wittstock training grounds because of division exercise of 18th Mecz Div.

The 4 shipments from Holthusen presumably belonged to the corps artillery brigade and the 3 shipments from Wustrow presumably to the corps AAA Regt, elements of which have been at Wustrow since 26 February in 3 shipments. One shipment of the 3d Gds AT Arty Brig/IV Arty Corps presumably came from Rostock.

25X1

5. Comment. the three trains from Dallgow and reported three more with artillery units. No details on the latter shipments were obtained.

25X1

6. Comment. Return shipments of elements of the 3d Gds AAA Div, which had been at Wustrow since 4 March.

25X1

7. Comment. Return shipments of elements of the 32d Gds AAA Div, which had been at Wustrow since 28 February.

25X1

8. Comment. Two shipments of the corps AAA Regt/LXXIX Mtz Rifle Corps. The fact that Stendal was mentioned as entraining station indicates that elements of the regiment were presumably employed there as protection of the Hq LXXIX Mtz Rifle Corps.
